as authorised representative of:

Organisation

agree that in the course of our cooperation with plan:g Partnership for Global Health our organisation will respect plan:g's Code of Conduct on Images and Messages, following the code's principles in our public communications.

I understand that plan:g's CoC builds on the DOCHA's/Concord's/CIDSE's CoC. Also, I took note that other rules might regulate communications. In the course of co-financed projects the EC rules https://ec.europa.eu/europeaid/sites/devco/files/communication-visibility-requirements-2018_en.pdf might apply.

I have read and understand plan:g's CoC, and will use it as a guiding principle. I declare my commitment to use common sense when taking photos, or using them. I understand that the CoC relates to plan:g's Child Protection Policy and Code of Conduct.

I understand that violation of the Code of Conduct on Images and Messages may provide grounds for the withdrawal of plan:g funding.
